Esthetician

864.331.2526

Diane Richardson is a licensed esthetician specializing in natural health care, focusing on replenishing mature skin, treating acne conditions, and maintaining a healthy complexion. She has always favored approaches that are in harmony with the individual's inborn skin characteristics. Trained through the Aesthani Skin Care Institute, Diane offers Microcurrent facial treatments, enzyme masks, mild peels, and hand massage. Hair removal by waxing and eyelash and brow tinting are among other services she provides. Diane works with a superior line of skin care products (Image), which are also available for purchase at Spa 360.
